

## 2020 Larimer County Fair Limited Livestock Show Class Offerings

- **Classes in blue, without a strike through them will be offered at this year's event.** Classes with a strike through them will **not** be offered.
- Each participant will be limited on the number of animals/classes they are able to exhibit within each department. **Participants can show in multiple departments however they are limited on the amount of animals and/or classes they can show in each department as follows:**
  - Beef – 1 market animal and 1 breeding animal per participant
  - Dairy – 2 breeding animals per participant
  - Dairy Goat – 2 breeding animals per participant
  - Meat Goat – 1 market animal and 1 breeding animal per participant
  - Alpaca/Llama – 1 animal per participant
  - Horse – 2 animals per participant and can only show in 2 divisions per participant (total of 4 classes)
  - Sheep – 1 market animal and 1 breeding animal per participant
  - Swine – 1 market animal per participant
  - Poultry – Each participant can sign up for 2 classes per specie (chickens, turkeys, ducks, and geese). Only 1 class per specie can be market.
  - Rabbits – no live show – see rabbit section for more details
- For species offering both market/breeding and showmanship class types, these classes will be judged simultaneously when feasible. For example, as a participant's market lamb is being judged by one judge, a second judge will also be evaluating the individual's showmanship skills. There will be identifiers for the judge to know the age group of that individual to ensure age is accounted for.

Co-Superintendents – Dee Dee Farago & Christina Ruffatti

### Special notes for the rabbit portion of the 2020 Larimer County Fair:

Due to the presence of Rabbit Hemorrhagic Disease (RHDV) in Colorado, **no rabbit classes will be offered in person.** This is in accordance with the Colorado State Department of Agriculture's request for voluntary quarantines of rabbitry's across the state. We will be offering two classes virtually for participants showing rabbits this year. More details on this specific specie area, how entries will be collected, and how to submit your entry will be provided at a later date. We are sad that we will not be able to have an in-person show this year, but we truly care about the health and well-being of your rabbits and want to reduce the risk of exposure of your animals as much as possible. Thank you for your understanding.
